

APAPU 2018

ASIA PACIFIC ASSOCIATION OF PEDIATRIC UROLOGISTS

Date: 14th - 16th December 2018 | Venue: The Eros Hotel, New Delhi

Call for abstracts:

The 20th annual meeting of the Asia-Pacific Association of Pediatric Urology (APAPU) is going to be held at New Delhi, India from December 14 to 16, 2018. We invite the abstracts of papers to be presented at the meeting.

The last date for Abstract Submission is August 31, 2018. All abstracts are to be submitted **online at the abstract submission portal at www.apapu2018.com**. In case of any difficulty in online submission you can also submit abstracts **apapu2018@gmail.com**.

All the submitted abstract will receive the confirmation of receipt within 7 days of submission.

Terms and Conditions:

- The submission of an abstract affirms that all authors named in the abstract have agreed to its submission for presentation at the Annual Meeting of APAPU 2018.
- Abstracts must be prepared in English. It is the responsibility of the submitting author to ensure the abstract is in perfect order with no errors in spelling or grammar, as revisions will not be accepted.
- At the time of submission of the abstract, the data on which the abstract is based should not be published anywhere, either in print or online.
- Submission of an abstract constitutes the author's commitment to present the abstract as accepted. Expenses associated with the preparation, submission and presentation of an abstract are the responsibility of the author/presenter.

Preparation of Abstracts

- 1. Size:** The size of the abstract is limited to 500 words. This includes title, body of abstract.
- 2. Title:** The title should clearly define the topic and contain no abbreviations.
- 3. Authors:** List the primary author's full name, followed by the other authors' names. Completely spell out the names of all authors using full first name, middle and last name. The name of the presenting author should be underlined.
- 4. Body of Abstract:** The abstract should be informative and detailed.

- ***The body must contain four separate paragraphs:***
a) Objective b) Methods c) Results and d) Conclusions.
- It is NOT acceptable to state that "The results will be discussed." Inclusion of specific data is helpful to the reviewers.
- Standard abbreviations may be used as follows: for the first use, spell out the full term and then follow with the abbreviation in parentheses each time thereafter.
- Proprietary names of drugs are not allowed; generic names must be used.

5. the abstract submission category should be marked clearly
